

16 Joppa Street NIAGARA PARK NSW

5 🏠 2 🚗

Located only a short five-minute walk to Niagara Park Shopping Centre, public school and transport, this large five bedroom house on a 790sqm block, is an ideal home for a family.

The split-level design includes three bedrooms and the main bathroom on the entry level. The bedrooms all have built-in robes, and the toilet is separate from the bathroom, which is an ideal configuration for busy times.

A few stairs lead down to the carpeted open plan living and dining space, which includes a slow combustion fireplace and leads out through French style doors to the large rear deck. The outlook from the deck over the yard and to the surrounding bushland, is tranquil and private.
